SRI SANJEEVANATH AIKALA.—May I know by whom this project was sponsored and which will be the implementing agency ?

MR. SPEAKER.—It has been mentioned there—the member may please refer to the answer to (b).

SRI SANJEEVANATH AIKALA.—By whom was this sponsored ?

†SRI D. DEVARAJ URS.—By the Government. For the present, they have just now constituted a committee by an executive order. After the scheme materialises, perhaps we may have to think of a separate corporation for implementing the scheme.

SRI SANJEEVANATH AIKALA.—Who are the members of the said committee ?

SRI D. DEVARAJ URS.—I said that we have just now constituted and I have not got the names before me. It is a committee constituted by an executive order of the Government.

SRI C. J. MUCKANNAPPA.—Is it not a fact that recently the Minister for Aviation and Transport of the Central Government just went there.....

MR. SPEAKER.—Is he not the Minister for Information and Broadcasting ?

SRI C. J. MUCKANNAPPA.—Sri Sanjeeva Reddy went there. May I know without constituting a corporation—you just invited him. May I know why he was invited there and what happened at Mysore ?

SRI D. DEVARAJ URS.—I thought that the Hon'ble Member was better informed. It is not we who invited. It was the Tourism Concil. There is an All-India Council which is called the Tourist Council, for which he happens to be the Chairman and the other Ministers are there and several non-officials and M.Ps. are also there. The Council meets once or twice in a year. That was the annual meeting of the Council held in Mysore for which Sri Sanjeeva Reddy had come.

SRI C. J. MUCKANNAPPA.—Let me not be mistaken, Sir. The Minister went there for an inaugural function, and he said at the meeting that this is not Nehru Loka, but Devaraj Urs Loka. That is why I asked the question why he was invited and what was the purpose ? I know that he came there to preside over Tourist Council.

SRI D. DEVARAJ URS.—It is not the Mysore Government that held that Conference. But it was the Government of India.
